

# 44<sup>th</sup> Ann Arbor Folk Festival How To Log In

January 29 and 30 <https://noonchorus.com/the-ark/>  
January 31 <https://noonchorus.com/john-prine-tribute/>

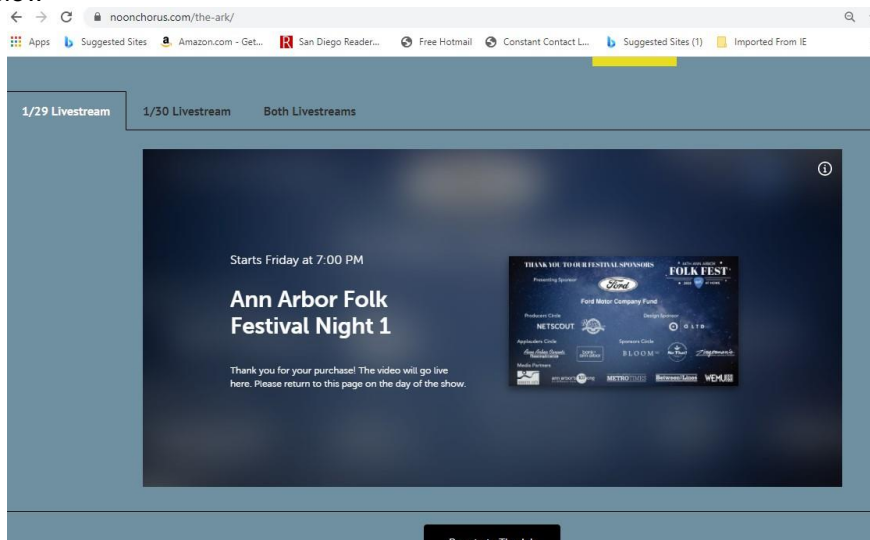

Scroll down to the ticket screen. Click on the button that says the ticket price (don't worry, you won't be charged a second time).

Log in with your Google, Facebook, or NoonChorus account. **Make sure to use the same email you used to make the original purchase!** If you created an account by clicking a Google or Facebook button, you must log in that same way.

Once logged in, the paywall will disappear and you will see the video player. You will see something like the image below, or a countdown clock ticking down to the time of the show. This is the live stream video player... you are in the right place! The stream will appear here at showtime.

It is possible that your browser kept you logged in and therefore you do not need to go through the login process. If you are logged in, you will see the video player as shown in the image below
