# Ark Corporate Friend Program Levels & Benefits

The Ark Corporate Friend program offers opportunities for businesses who value access to great Ark performances. It's ideal for those looking to entertain clients and/or reward staff with tickets to Ark performances.

The Ark will communicate with a designated representative of each of our corporate partners periodically to offer free tickets to designated Ark shows (number of free tickets dependent on level).

1. An e-mail will be sent on or before the first Monday of the month listing shows to which tickets are available to our corporate friends for that month—at least 4 shows per month.
2. Occasional other e-mails will be sent throughout the month announcing additional shows to which tickets are available to our corporate friends—usually 1 or 2 additional shows per month.

To reserve tickets for a particular show, the corporate member's designated representative should:

1. Reply to the e-mail or call the Ark business office at least 1 week before the show.
2. Indicate how many tickets are desired (up to limit for level).
3. Let us know the names of the individuals who will be using the tickets.

The Ark will have the names of the individuals using the corporate friend tickets on a list in the box office at The Ark the night of the show. Have your guests stop at the box office at least 15 minutes before show time.

The Ark is a non-profit organization with a club liquor license. As such, for your guests to purchase alcohol at The Ark one member of your party will need to be an Ark member or become one that night. A variety of membership levels are available, starting with a \$5.00 Introductory Membership.

Because you are receiving tickets in exchange for your donation, contributions to the Corporate Friend Program are not considered tax-deductible by the IRS.
